Dear Parents

Re: **Retirement of the Head Teacher**

Mr Sharpe has informed the Governing Body that it is his intention to retire from the post as Head Teacher at St Bernard's High School at the end of the Summer Term.

Over the past six years Mr Sharpe has done an excellent job in steering the school to greater academic success, continued commitment to the School's values of respect, service and justice, guiding the school through a further building project, an increase in admission numbers and the pandemic with all the additional work that remote learning requires of staff. We wish him every happiness in the future.

The Governors are now turning their attention to finding a successor who can build upon what has been achieved and guide the School through its next chapter. Governors will keep parents updated on their progress.

I wish you and your family a Happy and Healthy New Year and trust that when the current lockdown ends, we will be well on our way back to a normal life.

Yours sincerely

MRS JACQUELINE JAMES
Chair of Governors
